

Volunteer Opportunities for Medical Center Campus

Ambulatory Clinic

Provide play opportunities and read to outpatients in clinic waiting areas.

Activity Room

Provide an environment where inpatients can relax, do crafts, and participate in normalizing play. Activity rooms are geared towards toddlers to ten years of age.

Healing Notes

Volunteer musicians can share their talent with patients, families, and staff, allowing them to experience the healing value of music.

Information Desk/Guest Services

Greet, assist, and provide directions to patients, visitors and staff in a welcoming manner and represent Texas Children's hospitality.

Patient Navigator

To greet and assist patients, families and visitors by promoting optimum customer service by accompanying patients as they navigate the hospital. Volunteers will be warm and welcoming faces to provide way finding information and be available to answer questions regarding various resources.

Toy/Gift Shop

Assist sales associates with retail duties in one of the four Auxiliary Gift Shops.
